

TODAY'S DATE: _____

NRC FACILITIES COVID-19 SCREENING

Accessible version available at <https://www.nrc.gov/about-nrc/covid-19/index.html>

PLEASE READ EACH QUESTION CAREFULLY

PLEASE CIRCLE THE ANSWER THAT APPLIES TO YOU AND FOLLOW THE INSTRUCTIONS BASED ON YOUR RESPONSE

1. Have you experienced any of the symptoms in the list below in the past 48 hours?

- fever or chills
- New or unexplained onset of cough, shortness of breath, or difficulty breathing
- New or unexplained loss of taste or smell
- New or unexplained muscle aches

If you are experiencing symptoms you should not access an NRC or licensee facility until you are able to get tested.

Individuals with symptoms that can be common with other medical conditions and not specifically COVID-19 should follow care instructions from their healthcare provider. Individuals may enter the building if you reasonably believe the symptoms are unrelated to COVID-19.

If you had symptoms and were tested, is your test result negative, you have gone 24 hours with no fever without the use of fever reducing medication, or you reasonably believe the symptoms are unrelated to COVID-19?

YES
Proceed to Question 2

NO

Access to NRC Facilities NOT APPROVED

2. Are you isolating or quarantining because you tested positive for COVID-19 and it has not been more than 5 full days since your positive test, and if you had symptoms you are not fever-free for 24 hours (without the use of fever-reducing medication) and your symptoms are not improving?

YES

Access to NRC Facilities NOT APPROVED

NO

Proceed to Question 3

If you tested positive do not access a NRC or license facility for 5 full days and, if you had symptoms, you must be fever-free for 24 hours (without the use of fever-reducing medication) and your symptoms are improving. Wear a well-fitted mask for 10 full days.

<p>3. Were you exposed to someone who has tested positive for COVID-19?</p> <p><i>You should get tested, even if you don't develop symptoms, at least 5 days after you were exposed to someone who has tested positive for COVID-19. Watch for symptoms until 10 days after you were last exposed to someone with COVID-19.</i></p> <p><i>If you develop symptoms, refrain from accessing a NRC or licensee facility and follow the precautions in the next row.</i></p>	<p>YES</p> <p>Access to NRC Facilities Approved</p>	<p>NO</p> <p>Access to NRC Facilities Approved</p>
