MEMORANDUM TO: Luis A. Reyes
Executive Director for Operations

FROM: Annette L. Vietti-Cook, Secretary /RA/

SUBJECT: STAFF REQUIREMENTS - COMGBJ -07-0005 – INCREASING
THE TRANSPARENCY OF NRC'S PUBLIC MEETINGS

The staff should consider webstreaming every public meeting where the staff anticipates significant public interest unless feasibility constraints prevent them from doing so in a particular instance. The staff should provide a cost estimate to the Commission to implement this webstreaming.

The staff's cost estimate should include potential costs for the transport and setup of the equipment for webstreaming public meetings. In addition, staff should evaluate how much equipment would be needed based on NRC's recent experience of holding concurrent meetings in different locations, and consider our experience in webstreaming Commission meetings.
